

Intoxicated Driver Program

Designated Coordinators & Assessment Facilities

**Directory for Assessment Services provided by the County Departments under s.51.42
for Intoxicated Drivers, Boaters, Snowmobilers, and All-Terrain Vehicle Users
and Possessors of Certain Controlled Substances**

**State of Wisconsin
Department of Health and Family Services**

October 2005

To: State, County and Local Officials Involved with the Intoxicated Driver Program

This directory has been developed in response to requests from county staff working with the Intoxicated Driver Program. It lists the contact points within each county for referral of intoxicated drivers, boaters, snowmobilers, and all-terrain vehicle users and possessors of certain controlled substances (cocaine, heroin, lysergic acid diethylamide, phencyclidine, amphetamine, methamphetamine, psilocin or psilocybin). Please contact the:

- Designated Coordinator for information about a county's program and policy for assessment/treatment services.
- Assessment Facility Contact for assessment services. Court orders, reports and collateral information regarding the referral should be sent to this contact point. Please inform the client that s/he should contact the assessment facility for an appointment first by phone. A non-resident should contact the facility the day of the court appearance. Most assessments take 1-2 hours.

Plans are to update the directory every two years. Any comments you may have are welcome.

Greg Levenick
Section Supervisor, Bureau of Mental Health and Substance Abuse Services
Department of Health and Family Services/Division of Disability and Elder Services
